

KE-157RC

ROUND ENZYME CINNAMON URINAL SCREEN & BLOCK

KE-157RGA

ROUND ENZYME GREEN APPLE URINAL SCREEN & BLOCK

Description:

A unique blend of effective cleaners, essential oils, bacterial enzymes and detergents in a pink block with a cinnamon fragrance or a green block with a green apple fragrance.

Can be used safely in all urinals.

Directions:

Peel off label.
Place the Urinal Block in urinal face down.
Works 24 hours per day.
As the urinal is flushed a small amount of chemical is dispensed automatically.
This action helps to clean and deodorize the urinal.
The enzymes will keep the drains and pipes free from build up of solids.

Markets:

The following restroom areas are ideal for the use of KE-157RC & KE-157RGA:

Hotels / Motels, Schools, Gyms/Spas, Supermarkets,
Restaurants, Nursing Homes, Office Buildings

and many more
