

KE-182B Instant Acting Emergency Absorbent Gel

Hospital Approved Spill Absorber and Odor Counteractant

KE-182B absorbs over 100 times its weight of water base spills. Instantly "gels" all human and animal bodily fluids including blood, urine and vomit. KE-182B works on hard surfaces and carpet. Deodorizes with a fresh mint odor counteractant fragrance. KE-182B is available in several sizes to suit every application.

KE-182B features and advantages:

- Instant acting! Absorbs over 100 times its weight within 15-20 seconds!
- Turns biohazards including human and animal bodily fluids into a sweepable, flushable "gel".
- Deodorizes with Fresh Mint fragrance.
- Works well on hard surfaces and carpets.
- Out-performs all competitive products.
- Available in many sizes.
- Economical to use.
- V.O.C. compliant.

Suggested uses:

- Liquids Spills (water base)
- Food Spills
- Body Fluids
- Vomitus (emesis) Removal
- Incontinency Accidents (excrement)
