

KE-56

PINK LOTION HAND SCRUB

FOR ALL WASHROOMS

Lotion hand soap replaces expensive, messy bar soaps and powders

SUPERB CLEANSING

Effective, but gentle grease-cutting agent. It thoroughly cleans without stripping skin of its natural oils.

HELPS PREVENT CHAPPING

Absolutely neutral in action. Contains no harmful alkali.

LEAVES NO STICKY AFTER-FEEL

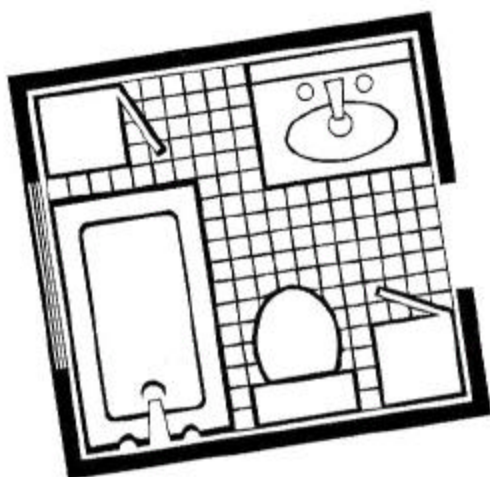

The free-rinsing ingredients allow it to rinse away easily with water.

BIODEGRADABLE

Combines cleaning properties of an excellent soap with the emollients of a fine lotion. Produces a luxurious lather .

CONCENTRATED

Can be used full strength or diluted 1:1 for economical hand soap

Kinzua Environmental, Inc., Cleveland, Oh. 44114

DESCRIPTION

Everything that you expect from a quality hand cleaner. An effective, economical lotionized hand cleaner with blends of biodegradable surfactants that produces rich, copious suds. Excellent cleaning yet gentle to the skin in hot or cold, hard or soft water. Will not harden in wall-mounted, push-type dispensers. Remains effective and will not separate when diluted with water.

APPLICATIONS

Non-clogging ability makes it unequalled for use in:
schools, industrial and institutional washrooms, health clubs, factories,
fire stations, hotels, kitchens, restaurants, offices, service stations
