

KE-109 COIL & FILTER CLEANERS

KE-109C

KE-109C contains ammonium bifluoride which makes it extra strength.

CLEANS AIR CONDITIONING COILS & FILTERS

Specially formulated to instantly remove soil, grease, oxidation and corrosion from coils and filters for the greatest efficiency and performance of cooling and heating units.

CLEANS, BRIGHTENS, RENOVATES & CONDI- TIONS FILTERS & COILS

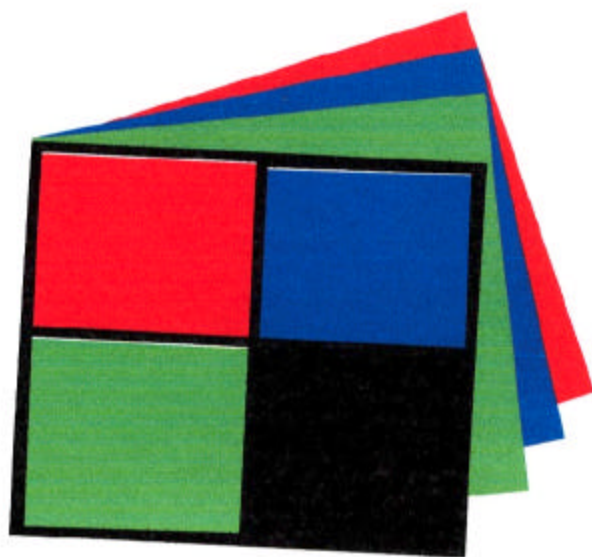

Dissolves and then suspends all types of soils that normally collect in and around filters, coils and condensers of air conditioners, refrigeration plants and other heat exchange equipment.

EASY TO USE

Can be sprayed through pressure washer or any acid type sprayer.
May be mopped or brushed onto surface.
No rubbing necessary.

FREE RINSING

Can be used with hot or cold, hard or soft water. Soils rinse away instantly.

KE-109 / 109C

DESCRIPTION

This coil and fin cleaner is an acid cleaner that was designed to neutralize alkaline type soils and buildups that occur on many aluminum surfaces. It is a very effective cleaner that can remove the soils that an alkaline cannot and does it without scrubbing.

APPLICATION

Cleaner is safe for most surfaces when used as directed. It is free rinsing and biodegradable. Can be used with hot or cold, hard or soft water.

DIRECTIONS FOR USE

Medium to Heavy Soil: 1 part CLEANER to 25 parts water. Very Heavy Soil: 1 part CLEANER to 15 parts water.

For Brightening Unpainted Aluminum: Dilute CLEANER between 1:10 - 1:15, depending on condition of the surface.

SPECIFICATIONS

Appearance: liquid
Odor: Characteristic
pH: 1.00
Flash point: None. Non-flammable
Solubility in water: Complete
Foam: Moderate
Authorization: Requires no authorization by the USDA prior to its use in offices and other similar non-processing areas

PRECAUTIONS

Keep out of reach of children. Corrosive. Harmful if swallowed. Do not take internally. Keep out of eyes. Avoid contact with skin, eyes or clothing. Wear adequate hand and eye protection. Avoid breathing spray mist or vapors. Use with adequate ventilation. Wash hand thoroughly after handling. Do not use on glass. Do not mix with chlorinated cleaners or other cleaners. Rinse empty container with water and discard. This product is intended for industrial and commercial use and storage by trained service persons only. Manufacturer will not be responsible for any injury, loss, or damage, if product is used in any manner not in compliance with label direction or if precautions are not observed.

FIRST AID

EYES: Flush with large amounts of water for at least 15 minutes; contact physician.
IF SWALLOWED: Do not induce vomiting or give anything by mouth to an unconscious person. Consult physician. EXTERNAL: Flush with large amounts of water. Remove contaminated clothes. Seek medical attention.
