

PORTION BC

**WATER-SOLUBLE, PREMEASURED AND PORTION-CONTROLLED
Packaged For Institutional and Industrial Use**

BOWL CLEANER

**SAFE AND EFFECTIVE BOWL
CLEANER REMOVES STAINS AND
ENVIRONMENTAL RISKS.**

Believe it! There actually is a toilet bowl cleaner that removes tough stains without harming your plumbing. Ideal for daily cleaning or routine maintenance, **Water Flakes® Bowl Cleaner** is the professional strength toilet bowl cleaner you've been waiting for. **Bowl Cleaner** easily destroys stubborn stains built by soils, lime scale and urinary salts. But that's not all.

PORTION BC was developed to be an environmentally responsible product. Its concentrated detergent contains a readily biodegradable surfactant system and is free of phenolic compounds. Premeasured and packaged in a 100% biodegradable water-soluble film, the packet dissolves completely in water, reducing packaging waste, and leaving you with solution ready for cleaning.

Just drop one water-soluble packet of **Bowl Cleaner** into the toilet bowl. The concentrated powdered detergent will break down and remove soils, lime scale, and urinary salts with its high foaming action.

Directions

Flush bowl before cleaning. Add one packet of **Bowl Cleaner** to the toilet bowl. Foam will appear within seconds. When foam covers water surface, swab bowl inside and out, especially under the rim. Let toilet stand as long as is practical before flushing.

Ingredients

The primary ingredients in **Bowl Cleaner** are alcohol ethoxylates and citric acid.

Packaging

packed 2 x 90 x 0.5 wt. oz. packets per case

Caution

Do not handle packets with wet hands. Do not remove packets from container prior to use. Humidity and water will destroy the packet integrity.
