

KE-182RF BLACK CHERRY COMMERCIAL RUG FRESH STRENGTH ODOR CONTROL POWDER

KE-182RF RUG FRESH Commercial Strength Carpet Powder and Room Deodorizer.

Lasts for a full 7 DAYS!

No immediate vacuuming required.

Suggested uses:

Unlike ordinary carpet powders, versatile **KE-182RF** has a variety of applications:

Carpet and room deodorizer, feminine napkin receptacles, trash cans, cigarette urns, ash trays, litter boxes (see label) and other waste-related containers.

KE-182RF is three times stronger than other commercial or retail brands. **KE-182RF** special particle size disappears into most carpet, continuing to freshen; so no immediate vacuuming is required. Plus, **KE-182RF** will not harm carpet fibers or clog vacuum cleaners.

Apply lightly after vacuuming to freshen carpets and rooms for a FULL 7 DAYS. **KE-182RF** effectively freshens trash cans and garbage areas, too.

FEATURES AND ADVANTAGES

- No immediate vacuuming required.
- One application freshens all week long!
- Apply lightly after each vacuuming for long-lasting odor control.
- Three times stronger than other commercial or retail brands. So a little goes a long way.
- Out-performs competitive products.
- Deodorizes carpet and freshens the air in one easy step.
- Also freshens trash cans and garbage areas.
- USDA approved.

Directions for use (for 7 day performance): After vacuuming, lightly sprinkle **KE-182RF** onto carpet. **KE-182RF** will disappear into most carpet fibers. Allow **KE-182RF** to remain until next vacuuming, up to 7 days.

Conventional method: Apply **KE-182RF** to carpet. Let stand for a few minutes, then vacuum. Let **KE-182RF** stand overnight for more deodorizing. Use as needed, but not overapply.

Additional uses: Use **KE-182RF** in trash cans, feminine napkin receptacles, cigarette urns and ash trays.

See label for complete safety and use directions.
