These fragrances are highly concentrated liquid deodorants specially formulated to suppress and control bad odors and provide a clean, pleasant fragrance to the surroundings.

They eliminate foul odors from carpet, floors, garbage containers, disposal units, toilets, closets, dirty linen baskets, cigarette urns, animal cages, kennels, garbage compactors, etc.

Directions for Use

General Use: Apply by squirting directly on or around odor.

Carpets: Mix 1 – 2 ounces in 1 gallon of diluted shampoo. Helps control musty odors.

Hospital and Nursing Homes: Squirt directly on bedpans, urinals, dirty bed linens and used bandage collection areas. Controls foul organic odors.

Floors: Use 1 ounce for every gallon of rinse water to provide a fresh, clean fragrance as the floor is rinsed.

Hotels and Motels: Squirt around each bed, carpet corners, toilets and in the corners of the main lobby. This will provide a clean, pleasant fragrance.

Trash Compactors: Squirt 4 – 6 ounces in one gallon of water and spray directly into and around compactors. Destroys repulsive odors and freshens up surroundings.
