

KE-298

PRODUCT INFORMATION SHEET

FOAMING TIRE & VINYL SHINE

DESCRIPTION

This product has been developed to instantly clean and shine. The self-cleaning, breaking foam requires no wiping--simply spray it on and walk away.

FEATURES AND BENEFITS

Self-cleaning foam cleans and shines all vinyl, rubber and synthetic surfaces. Product cures to a glossy protective shine in minutes, with no buffing. Leaves an extra long-lasting protective shine that repels dirt, asphalt, and grime. Product works best if original surface is cleaned first. Protects against discoloration, oxidation and ozone deterioration. Buffing may help cleaning action.

APPLICATIONS AND USES

Cleans under-the-hood rubber products, hoses, air intake ducts, tires, bumpers, and trim.

DIRECTIONS FOR USE

Shake well before using. Spray at 8 inch distance from surface. For more gloss, use 2 applications. For less gloss, wipe once with clean cloth. Whitewalls may require light rubbing with cloth or brush then respray over whitewall.
